

TEXT MESSAGING CONSENT FORM

I hereby consent to receive auto-generated texts from Citizens Advocating for Social Equity also known as C.A.S.E. to announce upcoming community events and availability of community resources at the phone number provided below. Although C.A.S.E. welcomes the participation of adults and youth in the text messaging program, I understand that the authorizing person signing below must be 18 years or older and the person legally responsible for the phone number listed below. I understand that C.A.S.E. is a non-partisan social welfare organization that may support candidates for political office based on their position on issues impacting vulnerable people and I may receive communications via text about candidates for political office. I may unsubscribe at any time for any reason, and I understand that text message charges from my cell phone carrier/provider may apply. My signature below acknowledges that I have read and fully understand this consent form.
